

Prayer in practice – audio transcript

Speaker 1

Prayer is an important part of our life and our conversation with God. And I know that certainly going to church on a Sunday and the prayers on the Sunday I find really useful and help me focus more. And it's quite reassuring to know that people are praying for us in our role.

Speaker 2

And I remember people in difficult times and circumstances and also in happy times. And as an Elder if someone requests prayer when I visit them, I am very happy to do so. I believe that God gives me the inspiration to pray with members of the congregation when I visit them from the top of my head.
