Steps towards young people

Have sight of the list of suggested first steps you could take towards young people (on the next page)

Which do you already do?

Which feel impossible to do?

Which feel possible to do?

The United Reformed Church has had a focus on Walking the Way, living the life of Jesus today.

Which of these do you think Jesus did to take a step towards people?

Which can you try doing over the next week / month / year?
